

**State Bar of Nevada  
2009 BOARD OF GOVERNORS ELECTIONS**

**Candidate's Statement**

**ANNE WELLBORN**

Date of admission to practice in Nevada: 09/25/03  
Firm: Wellborn & Associates, P.C.  
Present position: President  
Size of Firm: 1  
Practice area of law: Business law  
Affiliations: SBNV, Clark County Bar

After a career in business, I began practicing law in Washington and Oregon before relocating to Nevada in 2003. I have worked with large multi-jurisdictional litigation firms and small firms. For the past 3 ½ years, I have practiced as a solo practitioner focusing on assisting small and emerging businesses to face the diverse challenges in today's marketplace. My services focus on transactional matters including corporate formation, business sale and acquisition, and drafting and reviewing contracts and leases. I have represented businesses in both State and Federal court on employment-related claims, business to business disputes, landlord tenant disputes, ownership disputes, and business tort claims.

As a Bar volunteer, I have served as the Editor of the Nevada Lawyer magazine, helped draft the bylaws for the Probate and Trust Section, and have volunteered as a judge for the Moot Court and Client Counseling competitions. I am also involved in private charities that deal with environmental issues and the issues involved in the welfare of children and animals. I have been married for 31 years, have raised a family, and enjoy spending time with my grandchildren and our 3 golden retrievers.

I am asking for your vote for a position with the Board of Governors. I am very proud to be a member of the legal profession. I believe that I bring a unique perspective to the board, having both large and small firm experience as well as having founded my own solo practice. I have skills that can help guide the future of the profession in Nevada. With your help, I look forward to the opportunity to work with the existing members of the Board on the current issues and the chance to bring a fresh perspective to the group.
