

State Bar of Nevada Honors Members Who've Served in the U.S. Armed Forces

Nevada Lawyer again offers its thanks to State Bar of Nevada members who have served and/or continue to serve in the U.S. Armed Forces. The magazine and E-newsletter put out a call for names of those individuals. Those who responded have been included in the list below. Many of our members have served in more than one branch of the service or in the reserves; however, due to space constraints, we have included each name only once. To those of you who served but did not send in your names, we also extend our appreciation for your service to our nation.
