**ACTION ITEMS**

**Financials**

Marc Mersol reported on the financial operations and information systems. Mr. Mersol gave of an overview of the financial report ending August 31, 2011.

**Standing Committee on Ethics and Professional Responsibility**

David Clark gave an overview of the current process used by the Standing Committee on Ethics and Professional Responsibility (SCEPR) when drafting an opinion. Under the Supreme Court Rule 225, the Committee is only required to provide the request and hypothetical facts to Bar Counsel and the chairs of the Disciplinary Boards. Over the years the Committee has informally altered its practice and circulates the committee’s draft opinion to the Discipline Boards and the Board of Governors for review. The Office of Bar Counsel then has a chance to comment on the conclusions rather than just the facts. Mr. Clark does not feel that there needs to be any change in the rule or process at this time. The bar appreciates the extra efforts the SCEPR takes to ensure the work of the committee is thorough.

It was moved, seconded and approved to support the SCEPR process.

**LRIS/LRE Funding Proposal**

It was brought to the attention of the LRIS Committee that three of the Nevada Bar Foundation’s Law Related Education programs are in jeopardy if funding is not obtained due to budget cuts to the Center for Civic Education funding for fiscal year 2012.

The LRIS Committee voted to approve funding to the Nevada Bar Foundation (NBF) in the amount of $77,276 which will cover the LRE program costs for 2012. The money will be distributed on a quarterly, as needed basis, with the expectation that the NBF will continue to explore other funding sources.

It was moved, seconded and approved to approve funding $77,276 from the LRIS designated fund to the Nevada Bar Foundation for support of the 2012 LRE programming.

**Section Listserve Requests**

The Young Lawyers Section (YLS) has requested that the listserve be changed from opt in to an opt out set-up. YLS believes this will bolster the participation of section members, increasing the value and benefit of the service.

It was moved, seconded and approved to approve the proposed change of the YLS listserve from opt in to an opt out set-up.

The Real Property Section has requested a change in the listserve policies to allow confidential postings. The present listserve policy requires posts to list contact information on all messages.

It was moved, seconded and approved to reaffirm the listserve policy requiring contact information on all listserve posts.
Fee Dispute – Awards, Judgment

In approximately 10% of all fee dispute decisions rendered, the attorney will refuse to reimburse the client for the amount enumerated in the decision. If the attorney has signed a binding arbitration agreement, the policies for the Fee Dispute Arbitration Committee state that the regional chair may ask a Committee member to initiate suit on behalf of the client. Historically, few committee members volunteer to file suit against another attorney for a number of valid reasons. However, there are a few committee members who do so regularly, especially in egregious cases and when it involves an attorney who is frequently the subject of fee dispute complaints. The Board discussed this practice -- members taking on fee dispute clients and obtaining fees and reimbursements when agreeing to assist clients to take an arbitration award to judgment.

There was some concern regarding this practice thus it was moved, seconded and approved to table this discussion in order to obtain more information on the matter.
