The Applicant has an ongoing responsibility to notify the State Bar of any changes of address or telephone number.

a. The State Bar Staff shall appoint one attorney member of the Committee to investigate the Claim. The member to whom the Claim is referred may request the assistance of the appropriate disciplinary board of the State Bar and any individual members of the State Bar. Any information obtained from a disciplinary board shall be used only for the purpose of the Committee and shall remain confidential.

b. The member appointed to investigate the Claim shall promptly send a copy of the Application by regular mail to the Accused Attorney, and shall, within ninety (90) days thereafter, report in writing to the Chairman and the State Bar staff the results of his investigation and his recommendation to the Committee for action on the Application. At the request of any member of the Committee, or at the request in writing of the Accused Attorney, the Committee shall afford an opportunity to both the Applicant and the Accused Attorney to appear before the Committee and present evidence and arguments. Any such proceedings shall be informal, and all relevant testimony and evidence may be considered.

d. The Committee shall apply the following limits to awards for reimbursement from the Fund:

i. The maximum amount which any Applicant may recover from the Fund arising from a relationship with an attorney is $50,000.00.
ii. In cases of extreme hardship or special and unusual circumstances, the Committee may recommend to the Board of Governors that the amount of maximum payment provided in i. above be altered.
iii. If there is insufficient funding available to pay all the approved claims in a year, each claim shall be reduced proportionately (prorated) to conform to the limited resources available.

iv. In the event a claim against a particular attorney is prorated in a particular year, except for insufficient funding, all future claims against this same attorney must also be reduced using this same proration formula.

e. The Committee may in its sole discretion allow additional reimbursement in subsequent years for Losses which were reimbursed only in part because of the condition of the Fund at the time the initial reimbursement was made.

7. Subrogation Agreements.

Payment from the Fund for reimbursement of any Loss shall be made only upon the condition that the Applicant enter into an agreement with the State Bar pursuant to which the State Bar is subrogated to the rights of the Applicant against the Accused Attorney and/or his estate in an amount equal to the amount of the reimbursement plus any costs incurred by the State Bar in recovering the amount of reimbursement from the Accused Attorney or his estate, personal representatives, assignees, or successors in interest. The subrogation agreement shall also provide that the Applicant will cooperate with the State Bar in any proceedings it may choose to commence for recovery of the amount of reimbursement.
