DONATION REQUEST DETAILS:

Please indicate how this donation will help to meet the purpose of the Family Law Section (select all that apply):

- To provide a forum for the improvement of law and procedure in the field of family law
- To provide a forum addressed to the problems and interest of the family law practitioner.
- To provide a forum to further the knowledge of the members of the Family Law Section through development and administration of continuing legal education seminars in the area of family law.
- To promote the sound development of ethical and professional litigation practices and procedures in the area of family law.
- To assist the judiciary in enhancing the administration of justice in the area of family law.
- To provide for and distribute publications dedicated to the area of family law.
- To support and enhance the art of trial and appellate advocacy in the area of family law.
- To act upon all matters germane to its purpose as so described or referred to by the Board of Governors.

How will the donation be used?

- Event
