 IN THE ADMINISTRATIVE MATTER RELATED TO FACE COVERINGS, RESCHEDULING JURY TRIALS, AND CLOSING THE CLERK'S OFFICE TO THE PUBLIC IN RESPONSE TO COVID-19

Administrative Order: 20-23

On March 12, 2020, Governor Steve Sisolak issued a Declaration of Emergency in response to the COVID-19 pandemic. The next day, March 13, 2020, the President of the United States declared a nationwide emergency pursuant to Section 501(6) of the Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C. §§ 5121-5207. To mitigate the spread of this deadly virus, the Centers for Disease Control recommends putting as much distance between people as possible and wearing face coverings. Governor Sisolak, in Directive 021, also recommends social distancing and mandates the wearing of face masks by employees interfacing with the public.

EIGHTH JUDICIAL DISTRICT COURT

CLARK COUNTY, NEVADA

The Nevada Constitution provides in Article 3 § 1 that, "The powers of the Government of the State of Nevada shall be divided into three separate departments,—the Legislative,—the Executive and the Judicial; and no persons charged with the exercise of powers properly belonging to one of these departments shall exercise any functions, appertaining to either of the others, except in the cases expressly directed or permitted in this constitution." The Nevada Supreme Court has also found that "In addition to the constitutionally expressed powers and functions of each Department, (the Legislative, the Executive, and the Judicial) each possesses inherent and incidental powers that are properly termed ministerial. Ministerial functions are methods of implementation to

///

accomplish or put into effect the basic function of each Department." Galloway v. Truesdell, 83 Nev. 13, 21, 422 P.2d 237, 243 (1967).

Rule 1.30(b) of the Rules of Practice for the Eighth Judicial District Court charges the Chief Judge of the Eighth Judicial District Court with various responsibilities, including supervising the administrative business of the District Court, ensuring the quality and continuity of Court services, supervising the Court calendar, reassigning cases as convenience or necessity requires, assuring the Court's duties are timely and orderly performed, and otherwise facilitating the business of the district court.

Following the March 12, 2020 Declaration of Emergency, the District Court, in consultation with the Nevada Supreme Court, concurred with the Governor and exercised its ministerial judicial powers. The District Court entered Administrative Orders 20-01 through 20-14 and 20-16, 20-17, and 20-22 on an emergency basis. These Orders changed Court procedures to minimize person-to-person contact and mitigate the risk associated with the COVID-19 pandemic, while continuing to provide essential Court services.

On November 11, 2020, Governor Sisolak announced an alarming increase in new COVID-19 cases in Nevada. The Governor requested all individuals to stay in as much as possible, and to wear face coverings at all times. This order continues the District Court's response to the COVID-19 pandemic and allows the business of the Court to go forward safely. As a result of the Governor's announcement, Clark County now requires employees to wear face coverings at all times while at work, even when the employee is in a personal workspace or office.

Mandatory Face Coverings Are Required at All Times

In keeping with the Governor's announcement and the policy of Clark County, all District Court judges and employees are required to wear face coverings at all times while in the workplace except while eating or drinking during breaks. This includes all areas of court facilities, including parking lots. Face coverings must cover the nose and mouth at all times. Face coverings with vents or made out of mesh are not permitted. Face shields may be worn with a mask as added protection, but may not be worn alone.

This Administrative Order modifies the mandatory face covering provisions found in AO 20-17. Administrative Order 20-17 previously allowed district court employees to not wear a face covering if they worked alone in an unshared workspace.

The provisions of Administrative Order 20-17 requiring all attorneys, vendors and employees of any organization or entity who work in a Court facility to wear face coverings at all times while in any common areas of the facility remain in effect. Common areas include, but are not limited to, security screening, lobby areas, public elevators, employee elevators, shared back hallways, public restrooms, and courtrooms.

All jury trials currently scheduled to begin prior to November 30, 2020, will be continued. Jury trials currently in progress should continue to the conclusion of the trial.
