6. From Lori Wolk: After the section luncheon on March 28th, Justice Hardesty had a conversation with the Reno attendees. He's inviting sections to comment on or critique Supreme Court opinions. The thought is to have a section write a brief article on an opinion for the Nevada Lawyer magazine. The article could be written by one or more people and could possibly discuss pros and cons. I've been told that Justice Hardesty is going to write the first article. If you think you or someone on your Executive Council would like to participate, please let me know and I'll provide more details as I get them.
