The February 2012 special Black History Month issue of the Nevada Lawyer Magazine is a joint venture between the Las Vegas Chapter of the National Bar Association (LVNBA) and the State Bar of Nevada. This issue celebrates the contributions of African-American lawyers in Nevada against the backdrop of the civil rights movement on a state and national level.

This historic issue celebrates successes and achievements while also acknowledging wrongs and injustices with which our society is still coming to grips. It is our hope that through this introspection and celebration of achievements, our legal community will be strengthened and inspired. This issue and its contents reach beyond Black History Month and we hope you will join us to celebrate the role of lawyers and the law in our society.
