

MENTORING PLAN

INTRODUCTION TO THE MENTORING PLAN

The new lawyer's mentoring plan is the focus of the *Transitioning into Practice* program. To assist in customizing a mentoring plan, the State Bar of Nevada developed the Model Mentoring Plan which includes required and optional sections and activities. It consists of core concepts, lawyering skills, activities and experiences used as learning activities and topics for discussion between the newly admitted lawyer and mentor. The activities and experiences are an introduction to the topics with which lawyers need to be familiar for the successful and professional practice of law.

The Model Mentoring Plan does not fit all new lawyers' practice areas, professional interests or goals. New lawyers and their mentors should work together to create a comprehensive plan reflecting the new lawyer's professional goals and interests while exposing him/her to both the practice and business of law. A thorough, well thought-out plan will help make the TIP mentoring relationship meaningful and productive for both newly admitted lawyer and mentor.

The Mentoring Plan should be developed by the mentor and new lawyer during their first meeting. The finalized Mentoring Plan is a checklist of activities which are to be completed by the new lawyer by the end of the mentoring cycle. In addition to the activities provided in the Mentoring Plan, a new lawyer is encouraged to discuss with their mentor other career issues that arise in their early practice experience.

If the mentor does not practice in all the areas selected and agreed upon by the mentor and the new attorney, the mentor may choose to call on another appointed mentor who practices in the specific area to assist in mentoring the new lawyer in that area.

At the conclusion of the program cycle, the mentoring plan should reflect the activities and experiences completed by the new lawyer. The new attorney must submit the completed mentoring plan online and pay the \$350 TIP fee to the state bar. Additionally, the new lawyer must complete an Exit Evaluation as a condition of receiving certification of completion. A new attorney who is not comfortable completing the Exit Evaluation may request a telephonic or in-person meeting with a member of the TIP Program staff or TIP Standing Committee in lieu of completing the Exit Evaluation.

INSTRUCTIONS FOR CREATING YOUR MENTORING PLAN

The following provides general instructions for creating a customized mentoring plan.

Please read these instructions carefully.

1. Print and bring this Model Mentoring Plan to the first meeting.
2. The mentor and new lawyer should discuss the new lawyer's professional goals, interests and practice areas to develop and prioritize activities in the mentoring plan.
3. Review sections 1 through 4 contained in the Model Mentoring Plan. These four sections contain mandatory items for your Mentoring Plan. In addition to the mandatory items, your Mentoring plan must also contain a certain number of optional selections from sections 1-4. The new lawyer and mentor may also elect to develop activities related to these subjects. NOTE: Activities need not be completed in any particular order.
4. In addition to sections 1 through 4, new lawyers must select a minimum of 6 elective activities/experiences to include in his/her Mentoring Plan. These electives are listed under section "**5. PRACTICE AREA BASIC SKILLS ELECTIVES.**" New lawyers and mentors may create one or more electives covering other subjects of interest deemed appropriate given the newly admitted lawyer's particular area of practice.
5. Indicate which activities will be completed by the new lawyer during his/her mentoring cycle by checking the corresponding box next to each activity description in each section. As activities/experiences are completed you can track your progress manually and make a final submission at the conclusion of the mentoring cycle.
6. It is recommended to establish check points for consistent and steady timing in completing the plan. Divide the planned activities and experiences in thirds. Two months into the 6-month cycle you should be about 1/3 of the way through the activities and experiences - at 4 months about 2/3 completed.
7. At the conclusion of the mentoring cycle the completed plan should be submitted in the online system at www.nvbar.org/tip and the \$350 TIP fee should be paid to the state bar by the end of the program cycle. Additionally, the new lawyer will be required to complete an Exit Evaluation as a condition of completion. The Exit Evaluation will be sent to the new lawyer at the conclusion of the TIP cycle.
